

Love Christ
Love our Church
Love our Community

March 18, 2020

Dear C3 families,

This is a time when church is going to look a little different than it usually does. Not just church, but life is looking different right now. Many normal routines and rhythms are being disrupted by COVID-19. I pray we all are able to use this time as an opportunity to continue to connect with one another, even though it will look different than what we are used to. C3 will be doing Facebook live every Sunday morning at 11 AM. Please join us as we continue to be a church. After all, we know that the church is not a building, but a community of people who seek to be transformed by Jesus as they journey through life testifying of the goodness of God.

I pray for and believe this will be a time God uses to unify families. I want to support the work God is going to do in families during this time. For at least the next few weeks, I will be putting some resources together for families, and dropping it off at doorsteps. Every week you will receive links for worship songs, links for Bible stories, some coloring sheets, activity sheets, Bible story lessons, and questions. Please use these resources however it works for your family.

Also, I love parties and the last ice cream party we had with C3 kids was so much fun!! It was awesome to see kids bring their Bibles every week, memorize Scripture, and bring friends to church so that the sticker chart filled up. So I have decided to continue the sticker chart, but it is going to look a little different. I will be adding stickers every week to the chart and will update you guys periodically on how many stickers are on the chart. The next party will happen at 100 stickers! Keep an eye out for the theme to be announced in the next couple of weeks.

Here are 4 selfie/photo opportunities to earn stickers for the chart every week! You can post them on Facebook and tag C3 or you can send the photos to C3 on Facebook Messenger.

- Take a selfie/photo with the family in front of C3 Facebook Live (EVERY SUNDAY AT 11 AM).
- Memorize the Remember Verse, tell it to a parent, and take a selfie/photo with your parent in front of where it is found in the Bible.
- Take a selfie/photo of reading the Bible to a sibling.
- Take a selfie/photo of the family making silly faces

I love you all and am praying for you in this time. Please let me know if you have questions or just need prayer. I would love to support you, talk, and pray with you. I'm available via phone, email, or on the C3 Facebook page.

In Christ,
